

# FOUNDATIONS

## HERE ARE JUST A FEW THINGS WE DO FOR OUR CLIENTS:

- Stamping Press Foundation Pits
- Injection Molding Machine Foundations
- Mill Foundations
- Steel Structure Foundations
- Steel Processing Lines
- Utility Trenching
- Isolation Pads
- Floor Slab Replacement
- Truckwells
- Precision Grouting
- Sidewalk/Parking Lot Repairs

A solid **foundation** is the key to many industrial projects.

At Lee Contracting, our in-house experts always provide the right solution for your job – no matter how big or small. We pair the best materials and industry practices with the right equipment, and our experienced team brings it all together for our clients.

Our exclusive excavation technique allows us to do the work without disruption to the surrounding site, minimizing interruption and downtime.

Whether a client is looking to remove existing concrete, excavate a pit, or drive piling and shoring for a manufacturing application, Lee Contracting is the right solution for your next foundation job.

How can Lee Contracting help you with your next Foundation project? Visit our website or give us a call to learn more.
